UPDATED Information for Chapters

This scholarship was created to assist veterans in achieving their post-secondary school educational and career goals. The scholarship will be awarded at the National Defense Lunch at State Conference.

All applications must be sent by the applicant to the state chairman for judging and postmarked no later than **February 1, 2018**. The application, in writable PDF format, will be available on the MSSDAR Daughters' Only web site when the State Packet is uploaded and also on the MSSDAR web site (<http://www.mssdar.org>).

Please help us spread the word! Contact local groups and in your community, particularly the veteran's organizations in your area and encourage them to distribute our application form to veterans who want to apply. Please send announcement of the scholarship to your local media, using your chapter as the contact. Please contact your local colleges and vocational schools, even though the state chairman will also contact state-level public colleges. Most schools have a veteran liaison who is willing to distribute information to veterans.

Please email the writable PDF application to groups you contact and to applicants so that they can take advantage of the writable PDF format of the application.

Included information in the Fall Packet is:

- Information sheet for chapters
- Two pages for applicants (directions and applicant cover sheet)

Please contact Patsy West, state chairman, with questions, at DAR@websitewiz.com.

There are TWO additional pages for this committee, following this one.
