Chapter

Codie enlisted in the United States Air Force in September 2016. He received basic training at Lackland Air Force Base, TX and technical training at Sheppard Air Force Base, TX. He is currently stationed at Ellsworth Air Force Base, SD.

Codie enjoys taking things apart and putting them back together so his position as an Aerospace Propulsion Specialist is a perfect fit. His duties include working on bomber engines and he enjoys that part of his job.

Codie does wish he had enlisted earlier since he was the oldest in his training classes. The best piece of advice he has received is 'Don't forget where you came from'.

Codie and his wife, Marie, have two children.

Sarah Barton Murphy Daughters are very proud to honor and recognize Codie S. Umfleet as Patriot of the Month for his patriotism and dedication service to our great nation.
