Dear Missouri Daughters:

It is my pleasure to announce that the Missouri State Society Daughters of the American Revolution will be awarding the Nash Music Scholarship in the amount of \$1,000.00 to a Missouri student at the State Conference in April 2020.

It is available to any student who is pursuing a degree in music. Seniors in high school through juniors in college may apply. The student must be an accomplished musician and have a GPA of at least 3.0. The applicant **must submit a DVD or a CD** of three selections, from one of their performances, for music professionals to judge. Each applicant will be adjudicated on their academic level. The student must be a citizen of the United States, a resident of Missouri, and plan on attending or already attending an accredited college/university in the United States.

Although Chapter sponsorship is no longer required, a chapter may work with the applicant to put the information together to send to this chair. If you know of a deserving student, please ask your chapter to contact the student to help guide the applicant through the process of getting an application, financial need form, etc. Each application **must be postmarked by January 15, 2020** and mailed to me at the above address. Forms will be on the MSSDAR public website, <http://mssdar.org/state-scholarships/>, for download. You may also contact me for information.

Your effort in assisting a music student is very much appreciated. Helping young people in Missouri to further their educational goals is indeed a worthy endeavor. Please feel free to contact me if I can be of further assistance to you.

Sincerely,

Donna Green Nash
